The true Orthodox way of thought has always been historical, has always included the past, but has never been enslaved by it. For, the strength of the Church is not in the past, present, or future, but in Christ.

The voice of one calling in the wilderness, prepare the way of the Lord make His path straight. Every valley shall be filled and hill shall be brought low and the crooked shall be made straight and the rough ways shall be made smooth and all flesh shall see the salvation of the Lord.
